Terminal A	SN666	YANPET	07:05
Terminal Z	CRM114	CARE	07:15

Can you guess which 2 capital cities they are in each line?

Here are some hints...

- The two cities for Flight THX1138 are both in Asia. They're in 2 countries that are famous for sushi and sumo wrestling (top), and kimchi and Samsung (bottom).

Your Turn:

3. Social Networks-

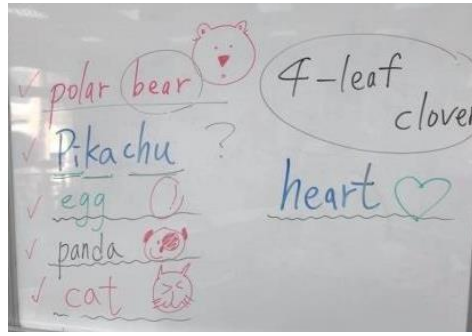

There are two words in Question 1, and one long word in Question 2.

To find the words, you can start with any letter and move up, down, diagonally. Some letters show up 2 times.

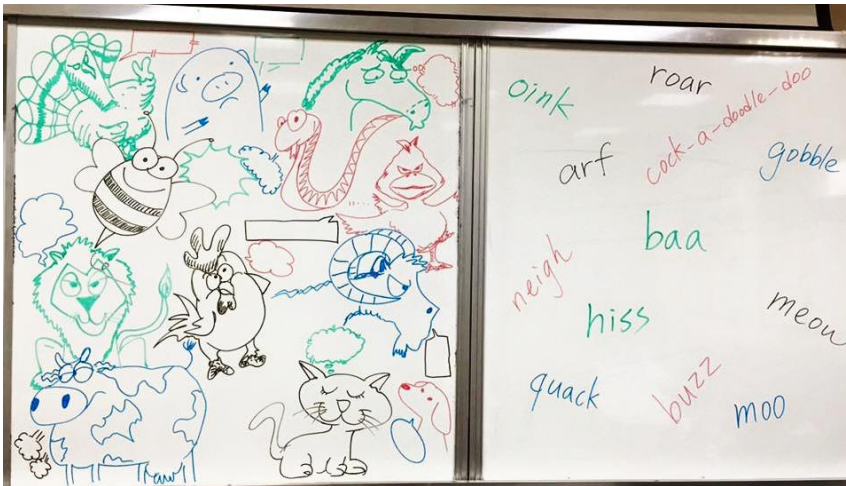

Can you find the words?
